

Tenant-id zoeken via de Azure Portal

1. Meld u aan bij de Azure-portal. (<https://portal.azure.com>)
2. Selecteer Azure Active Directory.
3. Selecteer Eigenschappen.
4. Schuif omlaag naar de sectie Tenant-id en u vindt uw tenant-id in het vak.

The screenshot shows the Azure Portal interface for the 'First Up Consultants' tenant. The left sidebar contains a navigation menu with options like Administrative units, Enterprise applications, Devices, App registrations, Identity Governance, Application proxy, Licenses, Azure AD Connect, Custom domain names, Mobility (MDM and MAM), Password reset, Company branding, User settings, Properties (selected), and Security. The main content area is titled 'First Up Consultants | Properties' and includes a 'Save' button and a 'Discard' button. The 'Tenant properties' section contains the following fields:

- Name: First Up Consultants (with a green checkmark)
- Country or region: United States
- Location: United States datacenters
- Notification language: English (with a dropdown arrow)
- Tenant ID: x0xxx10-00x0-0x01-0xxx-x0x0x01xx100 (highlighted with a red box)
- Technical contact: admin@firstupconsultants.com (with a green checkmark)
- Global privacy contact: (with a green checkmark)
